

MYOB RetailReady

All you need to turn your PC into a powerful Point of Sale solution

MYOB RetailReady USB includes:

- MYOB RetailBasics
- Electronic Cash Drawer
- USB Docket Printer
- USB Barcode Scanner

Take the guess work out of running your retail business.

The MYOB RetailReady package turns a standard PC – like one you may be using at home or in a back office – into a Point of Sale solution. With MYOB RetailReady.

It's easy to get started. Setup Assistants (Wizard) take just 20 minutes to set up your system – so you can start your store today!

Rather than guessing where your business is at, MYOB RetailReady, with the award winning MYOB RetailBasics software, can provide you with accurate information about the performance of your business. At anytime, you can see:

- What is selling, when and in what volume
- Which staff member or customers are the best
- Discounts and refunds given
- GST collected

In just a few keystrokes using your MYOB RetailBasics software, you can:

Process transactions

- Sales, lay-bys and refunds
- Choose from a variety of payment types – cash credit card, cheque or foreign currency
- Add credit card surcharges.

Create a stock list

- Create, update and print a list of all your stock items
- Scan or type stock items in directly
- Search, add and maintain stock items
- Insert pictures/photos of stock items
- Print stock code labels.

Manage customers

- Add, edit, delete and search for customers
- Print customer lists
- Link transactions to customers
- View customer transactions.

RetailReady – factsheet

MYOB RetailReady comes with quality Point of Sale hardware, including:

Thermal docket printer

Model: Posiflex PP 7000

A high-resolution thermal print head that quietly prints detailed graphics and barcodes. The unique clamshell design allows for easy drop-in paper replacement and print head cleaning. Settings include partial or full auto-cut capability and can also control two cash drawers. An integrated image registration function (2MB of cache memory) lets you download and store special character patterns and graphic logos.

Electronic Cash Drawer

Model: Posiflex CR 3100

A popular cash drawer designed to hold Australian currency. Features a tamper-proof casing, removable cash tray for overnight security, three-position lock, cheque slot and more.

USB Barcode Scanner

Model: Posiflex CD 3830

Designed to fit comfortably in your hand and packed with features, including:

- CCD long-range technology
- Auto discrimination of bar codes
- High decoding capability
- Auto upper/lower case
- Low power consumption
- Easily replaceable cable

Hardware is covered by a 12-month manufacturer's warranty; cable and power supplies are covered by a three-month manufacturer's warranty.

Minimum system requirements

- PC with Pentium III processor @ 500MHz or better with 128MB RAM
- Video card capable of 1024x768 and at least 256 colours
- 1 GB or more of free hard disk space
- Windows compatible printer
- CD-Rom Drive

Operating Systems

Windows 2000 or Windows XP is required.

Backing up your data

USB or DVD/CD writer backup devices recommended.

Hardware

MYOB RetailBasics can be connected to most POS hardware, including:

- Barcode scanners
- Cash drawers
- Docket printers
- Scales*
- Customer pole displays

* Selected Magellan, Toledo, and Wedderburn scales only. Note that

a communication port may be required for each additional device.

Retail Enhancement & Support – seven days a week

MYOB RetailReady includes 60 days of support to keep your business running efficiently and profitably. With Retail Enhancement & Support, you'll get seven-days-a-week assistance (via phone, fax or email); special offers and discounts exclusive to MYOB support customers, product updates; and the MYOB Retailer newsletter, with reports on consumer and industry trends and practical techniques to get the most out of your system.

Nationwide consultants (RMPs) are available for onsite assistance.

Making sure it's an authentic MYOB product

You can access MYOB RetailBasics for up to 45 days without activating the program. However, after 45 days of use without activating the program any information you have entered will only be available in read-only format.

To activate your MYOB RetailBasics software, call **1300 664 585**.
