HP Photo Value Packs

The HP Photo Value Pack bundles together HP #95 tri-colour cartridge + HP #99 photo cartridge + 125 sheets of HP Premium Plus Photo Paper (4x6 borderless no tab). It is compatible with printers that take HP #95 and #99 cartridges. See chart on inside for other compatible inks and printers.

HP continues to remove the barriers to home photo printing with bundles that bring the quality and cost per photo to levels competitive with that of traditional photo processing.

Affordable and Convenient

With the HP Photo Value Pack you have the freedom to print the photos you want when you want. And why wait for your photos to be processed when you can do it at home – and at an affordable price!

Brilliant, Lasting Prints

Having photos lose their lustre will be the least of your problems. Using HP's latest range of inkjet print cartridges, images printed on HP Premium Plus Photo Paper, resist fading up to 115* years – longer than retail-processed digital prints!

Quality

Designed for the discerning amateur and professional photographer, this photo paper delivers glossy, vibrant colours and rich black when used with HP's range of inkjet print cartridges. With a weight and thickness comparable to professional photo papers, durability is guaranteed.

* Fade resistance for up to 115 years. Fade performance (under glass) achieved with newest technology HP Inkjet Print Cartridge models and HP Premium Plus High-Gloss Photo Papers. Performance varies with Inkjet Print Cartridge combination used. See www.hp.com/paper for more details.
