HP papers designed for all occasions

HP Laser Photo Paper, Glossy

A coated-finish paper for eye catching images and photo-quality results.

Key benefits

- Bright white for high-contrast colour images and photos
- Professional-weight paper that looks and feels impressive
- Two-sided, coated gloss finish for eye catching images and vibrant colours on both sides

HP Laser Photo Paper, Matte

A professional matte-finish paper for eye-catching images and photo-quality results.

Key benefits

- Bright white for high-contrast colour images and photos
- Professional-weight paper that looks and feels impressive
- Ultra-smooth finish for rich, vibrant colours and true-to-life images

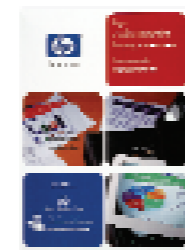

HP Everyday Paper

Designed for everyday use on all office equipment.

Key benefits

- Added smoothness for sharper images and a paper that is thinner and denser without sacrificing stability

HP Colour LaserJet Transparencies

Key benefits

- Thick and durable for reliable printing and protection
- Two sided coating for thick, durable, smudge resistant prints everytime
